

This vehicle has been fitted with a tracking and monitoring system. Using this system, ORIX Australia Corporation Limited (**ORIX**) will collect information about the use, performance, and location of the vehicle. Some of the information collected may constitute “personal information” within the meaning of the *Privacy Act 1988*.

ORIX is collecting this information to manage and provide services to the owner, lessee, or renter of the vehicle and to ascertain the vehicle’s location if required. Depending on the services requested, ORIX may also provide location, safety-related and performance data to the owner, lessee or renter of the Vehicle. By driving a vehicle equipped with a tracking and monitoring system, you agree that any personal information collected by the device will be used and disclosed by ORIX and its related companies in accordance with this statement and our Privacy Policy (available from <https://www.orix.com.au/privacy-policy/>). If you do not agree, you must not drive a vehicle with a tracking and monitoring system, and we will not be able to provide the owner, lessee, or renter of the vehicle with the requested data and services. If the vehicle is an ORIX rental vehicle, we will be unable to provide you with the vehicle if you do not agree.

In addition to disclosing the information collected using the tracking and monitoring system to the owner, lessee, or renter of the vehicle, we may also disclose your personal information to other parties. The other parties may include our related companies and third parties who provide products and services to us or through us in the ordinary operation, administration, or promotion of our business, and otherwise in accordance with our Privacy Policy. These third parties may be located (and therefore your personal information may be disclosed) interstate within Australia, or overseas, including Japan and New Zealand, and other countries from time to time.

Our Privacy Policy contains information about how you may access and seek correction of your personal information, how you may complain about a breach of your privacy, and how we will deal with that complaint.
